

# SIATP Guidelines

## School Innovation Ambassador Program

*An Initiative by Ministry of Education*

Implemented by Ministry of Education's Innovation Cell, AICTE and CBSE

<https://mic.gov.in/sia>

### **About School Innovation Ambassador Program:**

New Education Policy has laid huge emphasis on promoting out of the box thinking amongst students. To achieve this goal, the role of a teacher is highly significant. The teachers should become mentors and guide these young minds in their pursuit of innovation and entrepreneurship. Thus, it is equally crucial for mentors to have adequate mentoring skills.

With this aim, School Innovation Ambassador program has been conceptualised by Ministry of Education Innovation Cell and All India Council for Technical Education to train the school teachers across country who will nurture the young school students on Ideation, IPR, product development, design thinking, problem-solving and critical thinking.

## **Training Modules:**

In order to strengthen the mentoring capacity of teachers for Nurturing and handholding ideas from students, CBSE in collaboration with the Ministry of Education's Innovation Cell and AICTE has launched this online 'School Innovation Ambassador Training Program'. In this program, the teachers shall be trained on the following five modules:

1. Design Thinking & Innovation
2. Idea generation & Ideal hand-holding
3. Intellectual Property Rights
4. Product / Prototype development
5. Finance, HR and Sales

*\*Visit the Modules given on SIATP website for module contents and how to undergo the training.*

## **Role of the 'Innovation Ambassadors'**

- Help in creating the culture of Innovation in their respective schools
- Mentor the teachers and students of their respective schools and nearby schools
- Provide support to other schools as resource person
- Spread the message of innovation and start-ups among the students and faculties.
- Act as an evaluator for Idea Competitions conducted at national level.
- Act as a Mentor for the national level program on Innovation and related activities.

**“The trained teachers will be designated as  
Innovation Ambassador of Ministry of Education”.**

**Nominate the teachers with following qualities for SIATP:**

- Involved in developing innovative student projects.
- Has passion for working with students on developing new ideas.
- Demonstrable problem-solving skills.
- Good communication and analytical Skills
- Participated in any science/innovation exhibition, hackathons and idea competitions etc.

## **Nomination and Registration Process:**

The School have to nominate Five teachers through School Innovation Ambassador website:

<https://mic.gov.in/sia>

1. Refer **website user manual** for detailed process available under Help section on the SIATP website.
2. The training will be provided on first come first serve basis, depending on the seats available.

### Points to ponder:

- School Principal/ Vice principal or SPOC can also register for training.
- The schools which have registered more than five teachers earlier through google form should delete the nominated member in excess of five. One school can only nominate five teachers per school. Use delete button in front of nominated member to **delete** the member.
- The details of nominated teachers can be edited using the **edit/ replace** button.
- If details of nominated teachers appearing in your school dashboard is not correct then delete the nominations and re nominate the teachers with correct details.
- You should login with email ID of SPOC.
- The SPOC email ID is one on which you have received the password.

# Visit SIATP website for attending the training:
